• A reservation is not complete until the itinerary is ended – ET or ER must be entered after all sells or modifications.

• Please be sure to add renter loyalty number at time of shop or direct sell as it cannot be added later.

• When modifying a reservation to add a billing number, the Contract ID number must be added back into the reservation.

• To determine which is the correct voucher format to use for your contract, please contact your Alamo representative.

• For "Value" vouchers, use the currency used by the destination station.

• When booking multiple items in the SI field, please use a period to separate items.

• When booking multiple items in the SQ field, please use a dash to separate items.

• The alpha code at the end of the confirmation number will alert you to the level of service at the pick-up location:

   COUNT - Renters will need to stop at the rental counter or may use the rental kiosk for processing.
